thank you VERY MUCH for helping get the word out about Frames!!! **first week sales are super important** so please **tweet as many as you have time** for through **August 25**.

i'm gonna haul a** and send as many as i can to help lee's numbers go up cuz he soooo de-serves frames to be a huge success. it'll go fairly fast. pick a name, paste the tweet, pick a name, paste the tweet... boom!!!

this is to help LEE and i honestly think he'll really appreciate us doing this for him.

- you can tweet every day or tweet or tweet on the days you have time
- pam brought up a great point; tweet from **YOUR current** twitter account.
- if you tweet from one you barely use people will think you're a **SPAMMER**. we don't want that....
- if you have any questions, you can't help or are having trouble, please let me and pam know
- please kinda keep an approx. count so after the first 3-4 days you can let us know how many you sent. that way we can kinda gauge where we're at
- if you want to continue to tweet **AFTER August 25** that would be great.

TWEET TO USE:

[@personsname](https://twitter.com/personsname) You hear Lee DeWyze amazing NEW album FRAMES? listen via Billboard> blbrd.co/18pXdmF BUY IT HERE <http://leedewyzeofficial.com/news>

u can change "amazing" to something like awesome or great or whatever u feel that isn't a long word...

INSTRUCTIONS

here's all you have to do. it's simple, it's fast, it's much appreciated.

- go to lee's list of followers (START WITH LEE'S MOST RECENT FOLLOWERS) and find people's **twitter names** (not real names) that start with **YOUR** assigned letter
- make sure they're real fans and not companies, bots, etc. (use your best judgment but don't take too long to check em out)
- click on their twitter name and simply paste the tweet.
- please **do not put @LeeDeWyze** . we don't want Lee to have to sift through all these tweets in his mentions
- please only send to **YOUR letter** and only send **ONE to each person** so we're not spamming anyone

LETTERS TO SEND TO

where i have 2 people on one letter, i was trying to guess at popular letters so you split the letter.

i.e. sarah and laurel split the letter D so....sarah does twitter names starting with Da through DI and laurel does twitter names starting with Dm through Dz
